and rehabilitation in post conflict Afghanistan. The Government of India and the Interim Administration of Afghanistan have agreed on several areas of cooperation, including in the field of Health, Education, Information Technology, Public Transport, Industry, Energy and Training. The cooperation in the field of Education includes construction of schools. The specific projects relating to construction of schools will be finalized in consultation with the Afghan Interim Administration.

(d) and (e) As part of our continuing bilateral political interaction with the Afghan Interim Administration, the Chairman of the Afghan Interim Administration, H.E. Hamid Karzai paid a state visit to India on 26-27 February, 2002. During his visit, all issues of bilateral cooperation, specifically those relating to reconstruction and rehabilitation in post conflict Afghanistan were discussed. In addition to a US$ 10 million grant announced by the Prime Minister, both sides agreed to work on project assistance in the fields of Education, Health, Information Technology, Public Transport, Energy and Training. The visit of Chairman Karzai opened a new chapter in Indo-Afghan relations.

Vocational training to Women and Girls

1258. DR. DASARI NARAYANA RAO: Will the Minister of LABOUR be pleased to state:

(a) whether the Directorate General of Employment & Training is providing vocational training to women and girls in Andhra Pradesh;

(b) if so, the details thereof, vocation wise; and

(c) the number of women and girls that benefited during the last three years, year-wise and district wise?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI MUNI LALL): (a) to (c) Vocational Training is provided to men and women in all the Vocational Training Institutes which are set up by the Directorate General of Employment & Training and the State/UT Governments. The Directorate General of Employment & Training has set up 11 Institutes for Vocational Training exclusively

for women in different parts of the country. Admission to these Institutes is open to women from all the States/UTs of the country including the State of Andhra Pradesh based on the criteria of merit and eligibility.

The State Government of Andhra Pradesh has set up 558 ITIs in the State, out of which 23 ITIs are exclusively for women. The details of women who have benefited/been trained in these ITIs during the last three years, year-wise and district-wise as provided by the State Government are given in the Statement.

Exploitation of Labourers

1259. PROF. M.M. AGARWAL: Will the Minister of LABOUR be pleased to state:

(a) what steps are being taken by Government to check the economic exploitation of labourers in the country;

(b) the details thereof;

(c) the details of the industries against whom the necessary action is being taken for violating the labour laws during the last one year; and

(d) the effective measures being taken or proposed to be taken by Government to protect interest of labourers in the country?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI MUNI LALL): (a) and (b) The economic exploitation of labour in the country is checked through enactments and enforcement of a number of labour laws aimed at protecting and promoting the welfare, social security, safety and health of workers.

(c) Labour being in the concurrent list, both the Central and State Governments are the appropriate governments to enact legislations. The organisation of Child Labour Commissioner (Central) is responsible for enforcement of the provisions of the labour laws in establishments under the Central Sphere whereas in State Sphere the enforcement is secured through State Labour Enforcement Machinery. The Inspecting Officers of Central Industrial Relations Machinery (CIRM) make regular and periodic inspections of establishments take follow up action and where necessary file claim and prosecution cases against the defaulting employers. During the
